

The Re-Inhabited Republic *for the* united states of America

RepublicForUSA.org

This ebook offers a very short, distilled version of the *Abandonment* and *Re-inhabitation* of the original Common Law, de jure *Constitutional Republic for the united states of America*.

In 1861, while juggling the complex Civil War issue of secession of states, Abraham Lincoln temporarily replaced the Republic with an Executive government.

He was assassinated before he could restore the Republic.

Lincoln's Executive Government became the Corporate Government.

The DISTRICT OF COLUMBIA Organic Act of 1871

In a grand coup d'etat, the US was coerced to pay its Civil War debt to the CITY OF LONDON with the 10 mile-square area now known as the DISTRICT OF COLUMBIA, aka Washington DC, a sovereign city-state.

There are two other sovereign city-states; the VATICAN & the CITY OF LONDON, all run by the same group.*

**ALLCAPS = Corporate entity.*

With the *Organic Act of 1871*,

we became the **UNITED STATES CORPORATION**, cementing Corporate governance under *Maritime-Admiralty law* governed by the **CITY OF LONDON**. This transition set the stage for the subtle enslavement of all Americans with *illegal taxes, usury, market crashes, fractional reserve banking, inflation* and a host of other financial and political weapons.

The Repercussions of the Organic Act include but are not limited to:

- the Federal Reserve Act of 1913
(read *The Creature from Jekyll Island*)
- the Great Depression
- Fraudulent elections
- 3,708% Inflation
- Massive Federal Bureaucracy / grift
- Centralization away from State's rights
- Breakdown of the family structure & rise of the Nanny state
- False, limited public education & Fake news

etc. etc. etc. etc. etc.

SLAM!

BAY OF PIGS INVASION - CUBA

Following the 1963 JFK assassination, and heeding the many warnings about the *Shadow Government* (aka *Cabal, Deep State etc.*) a group of military officers started meeting in secret to save the Republic, calling themselves

The Army of Virginia
aka The White Hat Military

In the 1980s, the White Hats recruited **Donald J. Trump** to be the future president. He proved his commitment by gathering evidence and entrapping high level criminals in his hotels & casinos.

In November, 2010
the *Restore America Plan* successfully re-inhabited
the *de jure* Constitutional Republic when a *Quorum*
signed the *Declaration of Sovereign Intent*, reaffirming
the covenant with GOD ALMIGHTY
as the supreme authority.

The White Hat Military accepted
the correctness of this Declaration and
the Re-inhabited Constitutional Republic
became Lawful in May 2012.

*It has been running in parallel to the Corporate
government ever since.*

There were millions of members in the thriving
Re-inhabited Republic in 2012.

But the Cabal began to fight back.

Disruptive *infiltrations* began, 300 members of the
White Hat Military were *murdered* and president
Turner was *kidnapped* & unlawfully *imprisoned*.

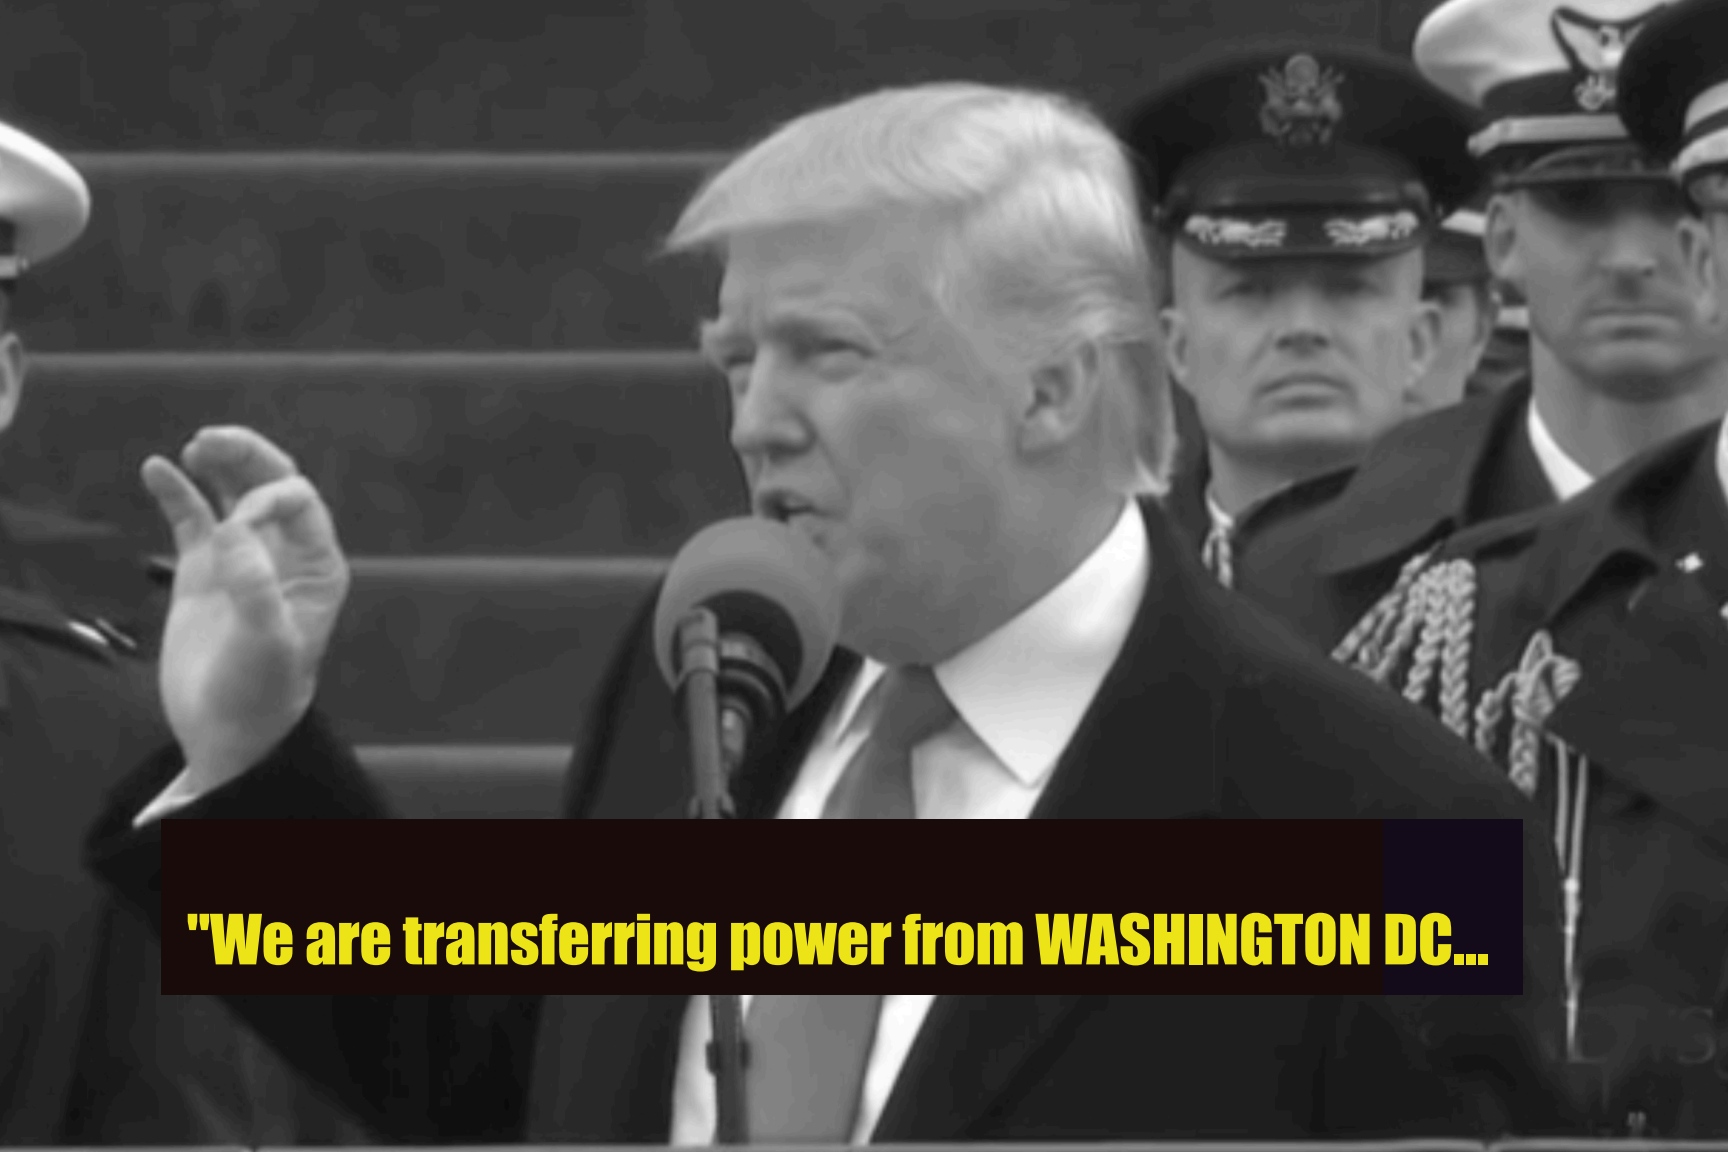

In 2014, Republic membership dropped due to Cabal attacks, but those who remained (*the Remnants*) held fast & persevered in dark times.

June 2026: 17,000+ members.

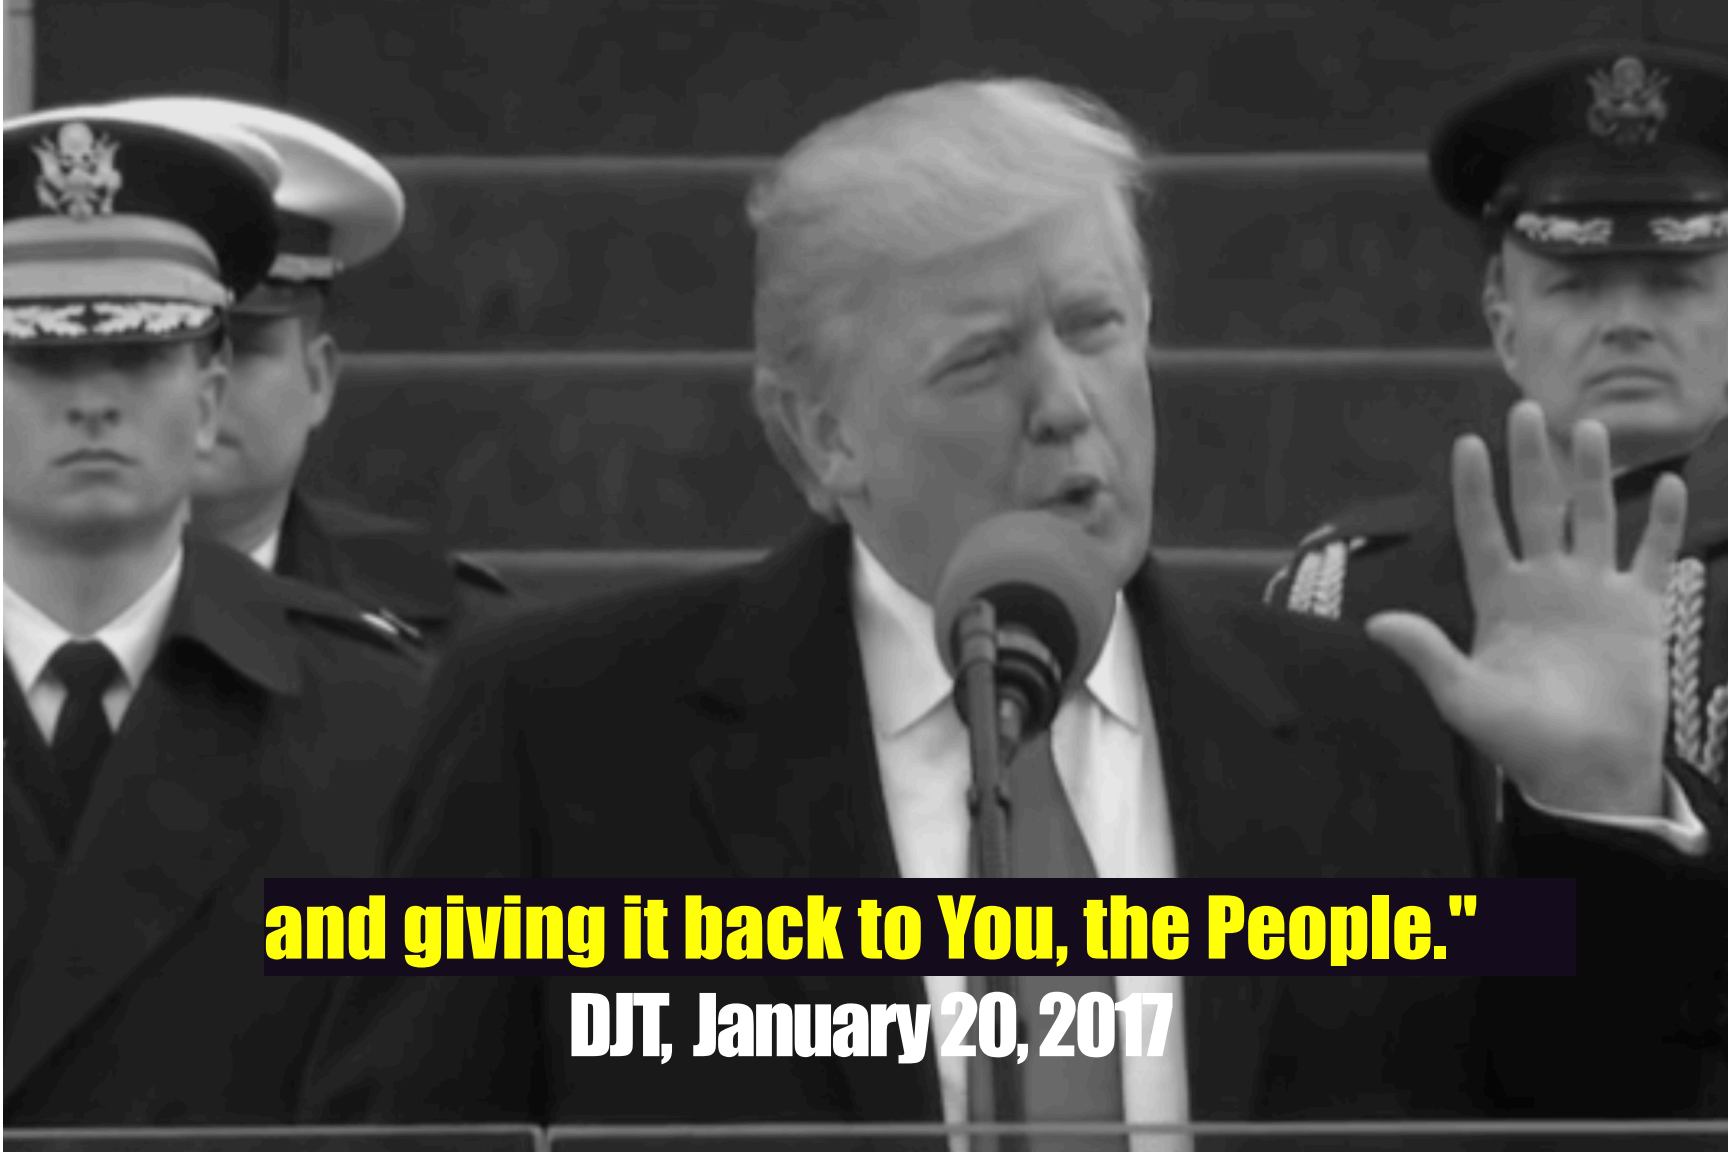

President: James Buchanan Geiger

Secretary of State: Dr. Sandra Miarecki

*The Republic is filling interim positions and re-seating
Counties & States in preparation for the first lawful
elections since 1861.*

"We are transferring power from WASHINGTON DC..."

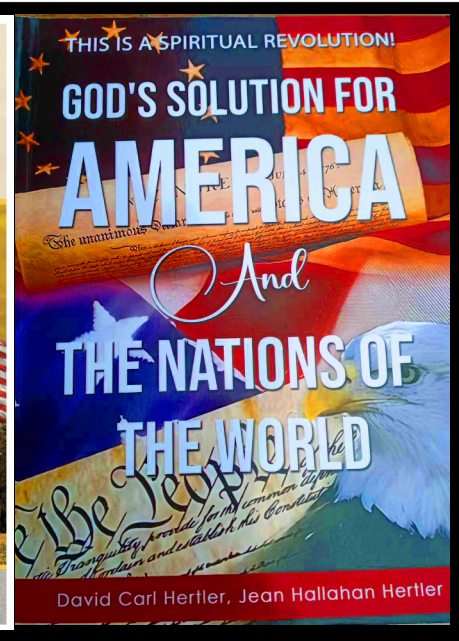

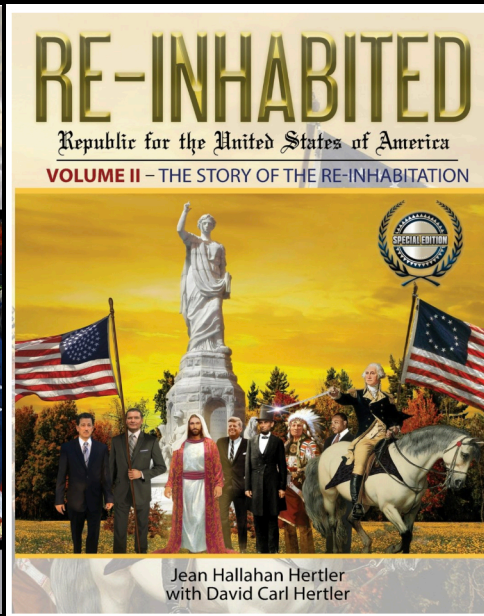

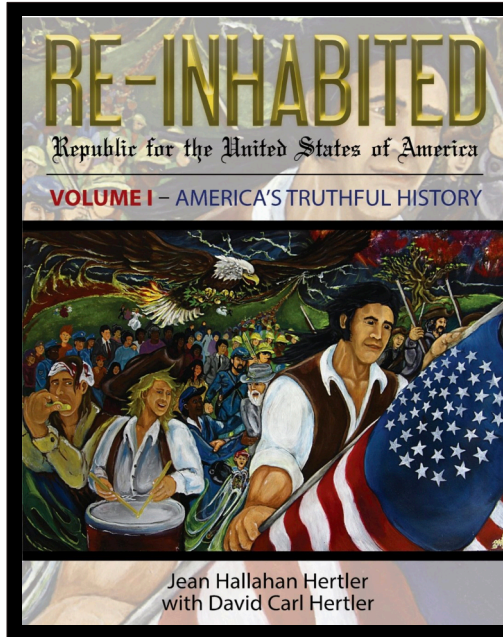

and giving it back to You, the People."
